

Master Facilitation Workshop

5-6-7 April 2019
Istanbul

**"When the student is ready the master appears.
When the student is truly ready the master disappears."
- Lao Tzu-**

Master Facilitation Workshop is designed to help you increase your current level of effectiveness; ease and confidence through developing high-level Facilitation skills in working with yourself and others as a PSYCH-K® Facilitator.

This workshop is for professional and non-professional PSYCH-K® Facilitators who wish to “excel” their Facilitation skills beyond what was possible to teach or learn in any other PSYCH-K® Workshop.

The only pre-requisite to attend this workshop is taking the PSYCH-K® Basic Workshop. You do not have to attend the Advanced Integration Workshop to participate in Master Facilitation Workshop. If you have attended the Advanced Integration Workshop or plan to, you will still receive significant benefits from what we will share in this Workshop regarding the art of Facilitation.

The focus for this interactive workshop is mainly on the job training while being observed and receiving feedback to help your grow. During this 3-day intensive workshop you will experience lots of personal growth as you work the processes!

Do not miss this workshop and the opportunity to be the best Facilitator you can be!

In the Master Facilitation Workshop you will learn how to:

- Develop a personal “core-connection” statement about PSYCH-K®.
- Surrogate your Partner for long distance sessions.
- Discover spiritual messages that may be present in challenging situations.
- Conduct effective and dynamic private in-person sessions from start to finish.
- Conduct effective and dynamic telephone sessions from start to finish.
- Conduct effective and dynamic Skype, Zoom etc., sessions from start to finish.
- Personally, benefit from Balances you Facilitate with others.
- Deal with occasional exceptions to the Balance processes, and handle muscle testing challenges.
- Step confidently onto the road of mastering the art of Facilitating PSYCH-K®.
- In addition to these skills:
 - You will receive a Facilitator’s Manual that will give you a source for additional information on subjects such as marketing,
 - You will learn how to conduct an effective presentation of PSYCH-K® to groups and organizations,
 - You will discover the do’s and don’ts of conducting private sessions,
 - And much more!
